14 November 1962

Card
Memorandum for: Dr. James Killian
Chairman, President's Foreign
Intelligence Advisory Board

This is to let you know that your letter of November 14th asking for a report on the intelligence community's activities during the 12-month period preceding 14 October 1962, specifically in regard to Cuba, has been received and will be discussed at the meeting of the United States Intelligence Board tomorrow. Additionally, I have sent copies of it to Secretary Rush, Secretary McNamara, Mr. McGeorge Bundy, and the Attorney General for their information.

I think you realize that it is a sizeable task to be fully responsive by the time of your next meeting on December 7th. Although the Central Intelligence Agency is well along toward its final report, the consolidation of this report with those from other members of the intelligence community will require some painstaking and closely-integrated effort.

I will do my best to get my final report to you prior to your next meeting.
